Centre of Learning is an initiative from Thomas Cook (India) Ltd. to develop talent for the organization as well as for the Industry. In the context of high growth and increasing customer expectations, talent management will be one of the important challenges to the Travel Industry. This relates to both the shortage of actual numbers and the desired capability levels from both technical and managerial perspective.

CENTRE OF LEARNING

Centre of Learning offers a unique combination of functional, managerial and theoretical study.

This equips students with wide spread set of skills that will help them become future torch bearers of the industry.

Our industry based approach also helps students meet all the requirements of the diverse tourism industry.

At Centre of Learning students receive education in a situational work environment. This helps them enhance their supervisory and management skills thus making them ready for the industry.
